

HotSauce™ Fast Bar was developed with bar owners, bar managers and bartenders to ensure the simplest and fastest order entry process of any Bar POS system. HotSauce™ Fast Bar will help you increase profits through the many distinguishing features that complement the fast pace of your business operations.

HotSauce™ Fast Bar's distinguishing features allow you to:

- Quickly open and close checks from one screen
- Recall tabs quickly
- Effortlessly open tabs and store clients' names and payment information by simply swiping a credit card
- Automatically alphabetizes tabs that are accessible from multiple terminals
- Easily program and modify your twelve built in "Hot" keys
